

STRATEGIC ACTIONS 2015

Further to the publication of the Strategic Overview 2014 – 2017, the College has committed to the following actions for 2015. Annual Strategic Actions will be developed to address targets set out in the Strategic Overview for the College over the four years to 2017.

Student Success

The College will continue to design a comprehensive framework to describe the boys' journey throughout the College called the 'Aquinas Student Learning Journey'. The College will seek feedback from stakeholders, which will include aspects of academic, spiritual, social, emotional, and physical.

Connected Families

Aspect: Relationship with Staff

Improve communication guidelines and structure between staff and parents

Aspect: Positive ongoing communication

Clarify, communicate and evaluate the role of the Tutor

Engaged Staff

Aspect: Engaged quality teaching

Provide professional learning opportunities for teaching staff linked to the Australian Institute of Teaching and School Leadership (AITSL) Standards and launching The Aquinas Way for Teaching.

Aspect: Engaged professional learning

Enhance the performance management process for staff

Aspect: Contribution to culture

Continue to articulate the College's Strategic purpose and vision

Aspect: Opportunities and Pathways

Review the Secondary School Pastoral Care structure

Aligned Partnerships

Complete an audit and review of current external partnerships

Contemporary Resources

Develop a concept design for the refurbishment of the College Boarding Houses
